

The first major service project in 2017 for units in the Sam Houston Area Council is our annual Scouting for Food drive as part of the Houston area's *Souper Bowl of Caring*. On Saturday, January 28, 2017 our Scouts will pass out door hangers throughout the council announcing the door-to-door collection the following week. On Saturday, February 4, 2017, our Scouts will again canvas the same neighborhoods, collecting items that will be delivered directly to food pantries within our community.

SAVE THESE IMPORTANT DATES!!!
