“Do Your Best.”
— Cub Scout Motto

Frank D. Tsuru, Cub Scout

2015 Distinguished Family Award Dinner
The Cub Scout Motto is “Do your best.” Scouting teaches boys that doing your best is important, not winning. What one boy is capable of doing when trying his best may not be the same as other boys, and each should be viewed based on their effort, not their ability.

Frank has stated that, “One of the most important things my parents instilled in me was their desire for me to be the very best American I can be. I still remember my parents saying, ‘everything you do you must do your best…you must avoid mediocrity.’ My parents were convinced, next to military service, Boy Scouts was the very best thing that can prepare a boy for the future.”

Frank, his wife Stephanie and their children continue to do their best to be distinguished members of the Houston community through their time, service and resources.

Frank Tsuru and his family have only been living in Houston since 2006. However, in that short time they have become a part of what makes Houston such wonderful place to live and work.

Frank and Stephanie are involved and provide leadership to many worthwhile organizations including Yellowstone Academy, The Star of Hope Mission, Memorial Drive Presbyterian Church and the Sam Houston Area Council Boy Scouts of America. Along with their children they provide financial support and participate in mission work with Family Legacy Missions, an orphan ministry caring for AIDS orphans in Zambia, Africa. They give as much time as they can because they have found that simply supporting an organization with financial help, although critically important, is not nearly as meaningful as giving of their time. When not volunteering Frank is the President and CEO of M3 Midstream.
