

Welcome to Summer Camp at El Rancho Cima

Camping and Dining at Walter Horseshoe Bend  
Program at Walter Horseshoe Bend and Cockrell River Camp

We have made significant changes to our merit badges, adding a few new ones and removing a few that were not as popular.

This year we will provide regularly scheduled transportation between Walter Horseshoe Bend and the Cockrell River Camp program areas.

---

**A few change this year at Walter Horseshoe Bend:**

---

In Aquatics, the swimming pool will be dedicated to Swimming, Development Swim and FMB Swimming rotations.

The Equestrian program will be offered every week of camp.

Note:, no horse rider can exceed 250 pounds in either the regular 6 week program or Boots and Saddles.

Fortress Mountain Brigade changes:

Will be a 6 hour block.

Expanded time will include a rotation in both a Swimming and Handicraft.

Indian Village / Handicraft

Basketry and Leatherwork are being in a combined single session.

Indian Lore and Archeology are being in a combined single session.

Nature

Astronomy and Space Exploration are being in a combined single session.

Forestry and Mammal Study are being in a combined single session.

Registration for the WHB Shooting Sports Program will be by discipline.

Additional qualifying sessions are available after lunch.

On Monday during the Rifle and Shotgun regular session hours, all participants required to attend Safety session at WHB Dining Hall - Archery goes to Range during their session.

Technology

Citizenship in the Nation and American Heritage are being in a combined single session.

Photography & Moviemaking are being in a combined single session.

Communications and Public Speaking are being in a combined single session.

---

**More facilities are going to be utilized at Cockrell River Camp:**

---

The merit badges offered at CRC are structured to be taken in groups - 2-3 hours each.

BSA Lifeguard is an all-day session, excluding lunch.

Lifesaving is a 2 hour block, morning (2) and in the afternoon (1).

The Fishing will offer Wildlife Management in the 1st session followed by a combined Fishing and Fly Fishing block, 2 blocks in the morning and 1 in the afternoon.

Boating session will offer in Canoeing, Motorboating, Rowing, and combined Kayaking and Whitewater.
