“I’ve Got That Cub Scout Spirit” Opening

Materials:
Song lyric sheets

Cubmaster:
We have a song to sing for our opening today!

I’ve Got That Cub Scout Spirit
Tune: Down in My Heart

I’ve got that Cub Scout spirit up in my head
Up in my head, Up in my head
I’ve got that Cub Scout spirit up in my head
Up in my head to stay.

[Point to each part of the body as you sing. Replace “up in my head” with other words in the last four verses]

Deep in my heart
Down in my feet
All over me (use the verse below)

I’ve got that Cub Scout spirit up in my head
Deep in my heart, down in my feet
I’ve got that Cub Scout spirit all over me
All over me to stay!

Cubmaster:
Welcome to our Cub Scout den meeting today! Join me in saying the Pledge of Allegiance and the Scout Oath.

[Song can be found online on You Tube at
https://www.youtube.com/watch?v=CD5xlGxPFk]
I’ve Got That Cub Scout Spirit
Tune: Down in My Heart
[Point to each part of the body as you sing]

I’ve got that Cub Scout spirit up in my head
Up in my head, Up in my head.
I’ve got that Cub Scout spirit up in my head
Up in my head to stay.

I’ve got that Cub Scout spirit deep in my heart
Deep in my heart, deep in my heart.
I’ve got that Cub Scout spirit deep in my heart
Deep in my heart to stay.

I’ve got that Cub Scout spirit down in my feet
Down in my feet, down in my feet.
I’ve got that Cub Scout spirit down in my feet,
Down in my feet to stay.

I’ve got that Cub Scout spirit up in my head
Deep in my heart, down in my feet
I’ve got that Cub Scout spirit all over me
All over me to stay!
Cooperation Crossing Preparation and Game

**Game Materials:**
Large colored paper circles (see preparation below – need copied circles to cut out, scissors, markers)
Masking tape for marking start and finish lines
Pencils
Crayons
Extra cut circles – 1 per group

**Preparation:**
To prepare the circles – have each Cub Scouts cut out a circle using the copied circles. They then can color and decorate their circle (also write their name; write the word “cooperate” on it, etc).

**Game Materials:**
Large colored paper circles made by Scouts with an extra pre-made one per team.
Masking tape for marking start and finish lines

**Directions:**
1. Mark start and finish lines (with masking tape) – 20 feet apart.
2. Divide the Cub Scouts into teams of 5 to 6 players. Each team gets one more circle than they have players.
3. The object of the game is to cross the space from the start line to the finish line with team members keeping at least one foot by walking from circle to circle until they reach the finish line. The whole team needs to get from start to finish.
4. When a team member is moving, he must have at least one foot on a circle. If a team member takes both feet off on the floor (meaning no feet are on any circle) or drags the circle with their foot, the whole team has to start over. Circles can be picked up and moved if needed if no one is stepping on them, but the person moving the circle will need to have one of his feet on another circle.

Teams have to cooperate to figure out the fastest way to move their whole team from start to finish. Encourage the boys to talk to each other to figure out the best way to use the circles to get all of their team members across.
Stand Up Game

**Materials:**
None

**Directions:**
This game is played with pairs of Cub Scouts.

1. Have each Cub Scout get a buddy.
2. The buddies sit back to back with legs stretched out in front of them.
3. The buddies must try to stand up without using their arms.

The Cub Scouts will see that they can only stand up if they work together.

**Variation:**
You could first let the Cub Scouts use their arms to get up from the same position and then make the game more challenging by having them not use their arms.
Buddies Closing

Cubmaster:
What is a buddy? A buddy is a friend —someone to have fun with, to do things with, someone you can trust, someone you can count on.

Have you heard of the buddy system? The buddy system is when two people pair off and watch out for each other. Using the buddy system is important in swimming, bicycling, hiking, or any other activity.

We all like to have a buddy or even more than one really good friend. I hope that in Cub Scouts you can have many friends.
