nail

puppy

lizard

mushroom

mitten

needle

Flying High Opening

Materials:

Cards with pictures of a plane, a bird, a kite, and a rocket ship to hold

Cub Scout #1: (holding plane picture): Every day, thousands of planes fly high to deliver people and things all over the world.

Cub Scout #2: (holding bird picture): You can see many different birds fly high, making the world a more beautiful place.

Cub Scout #3: (holding kite picture): In the windy skies above, watch your own kite fly high. It's a time to relax and enjoy a wonderful part of nature.

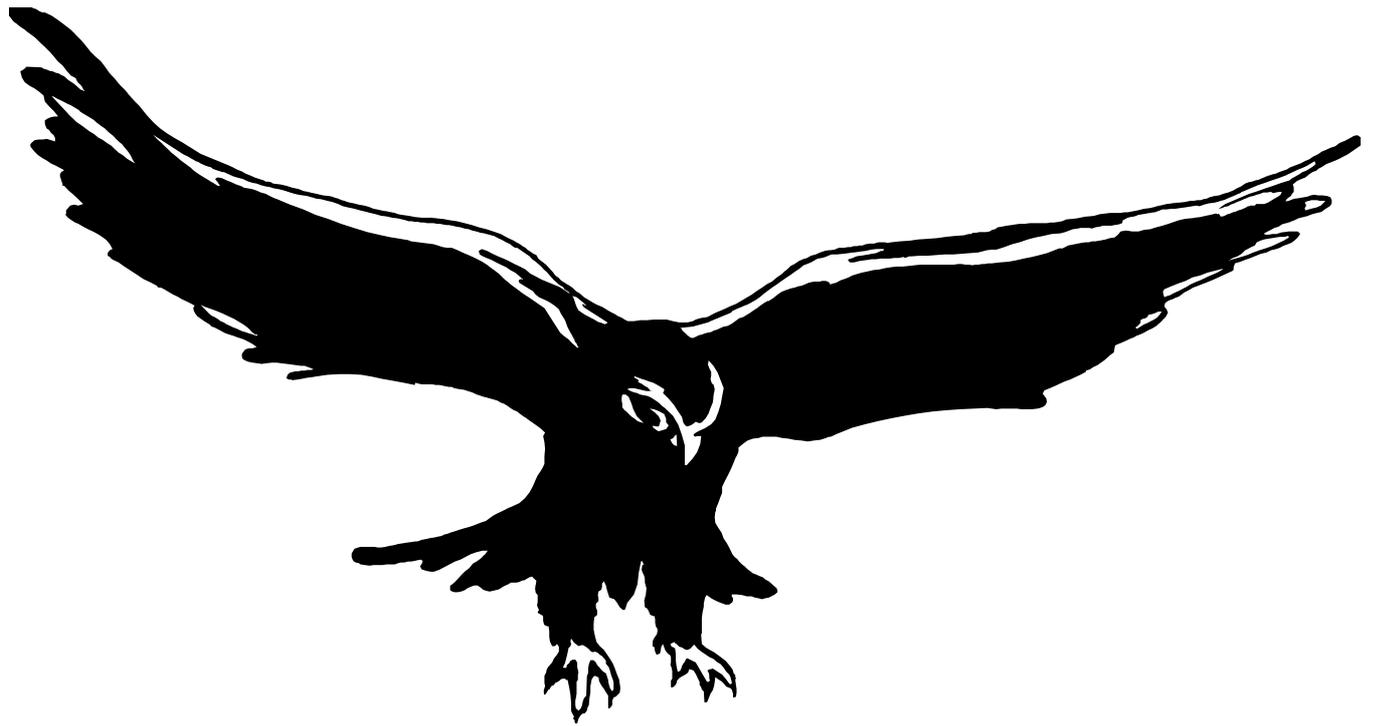

Cub Scout #4: (holding rocket ship picture): It's so exciting to see rocket ships fly high and think about exploring the universe.

Cubmaster: Is it exciting to see our national flag fly high? Please stand and join me in saluting our flag while we repeat the Pledge of Allegiance.

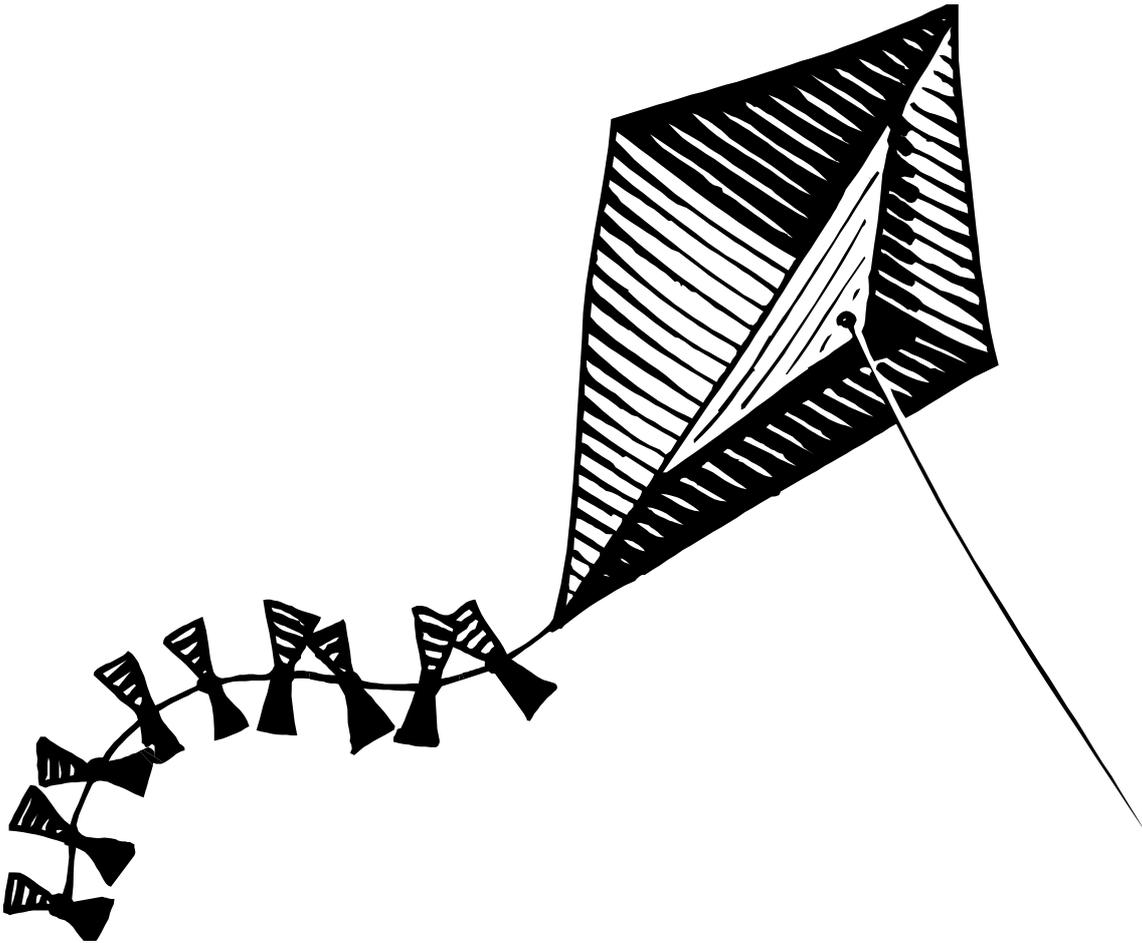

Cub Scout #1:

Every day, thousands of planes fly high to deliver people and things all over the world.

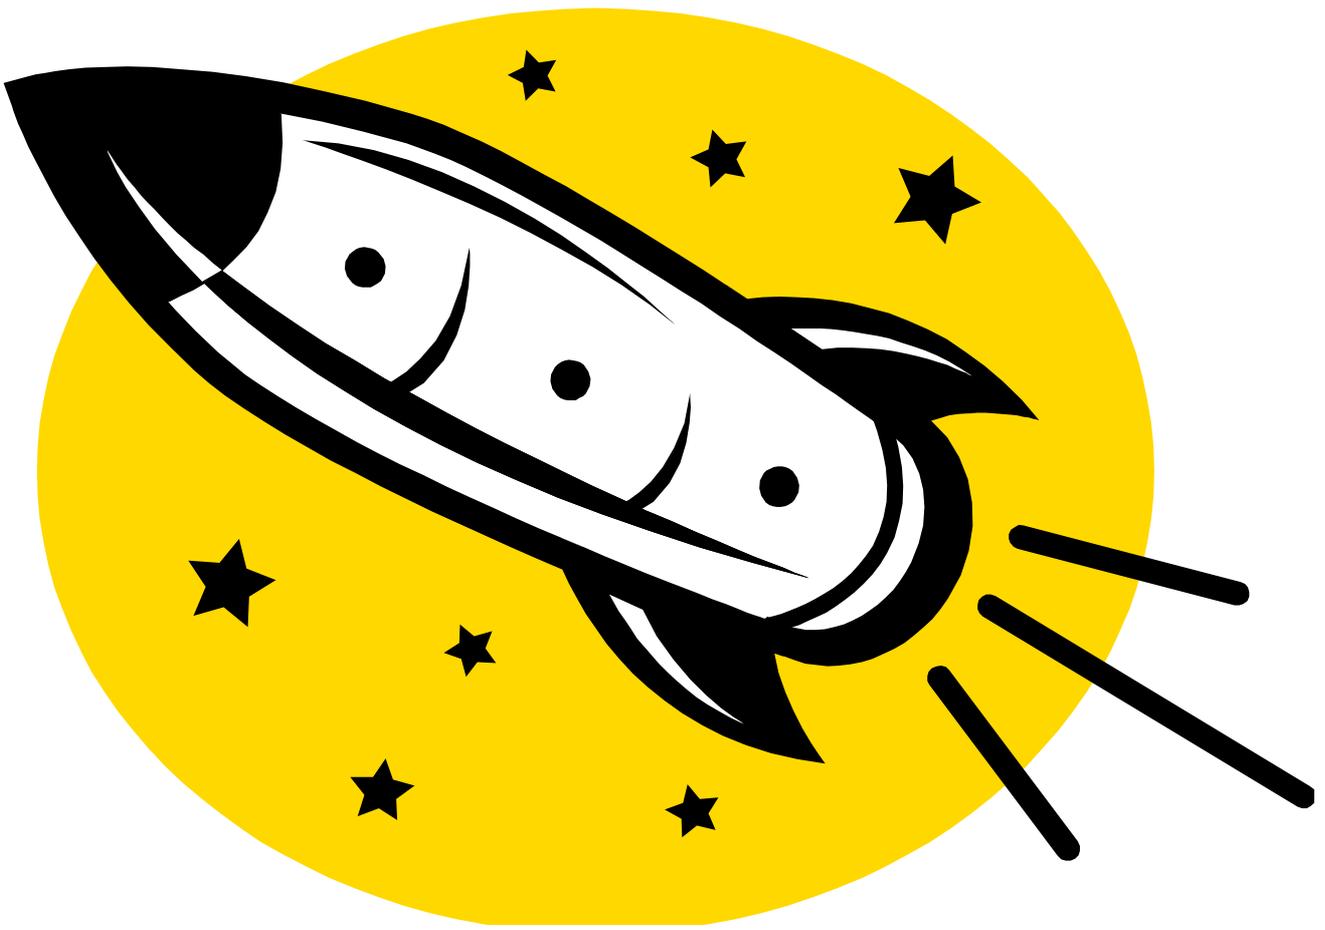

Cub Scout #2:

**You can see many different birds fly high,
making the world a more beautiful place.**

Cub Scout #3:

In the windy skies above, watch your own kite fly high. It's a time to relax and enjoy a wonderful part of nature.

Cub Scout #4:

**It's so exciting to see rocket ships fly high
and think about exploring the universe.**

Loop Glider

Materials:

Paper strips (2 strips for each Cub Scout - 1 inch wide paper strips - 1 strip cut 10" long, 1 strip cut 7" long)

Clear adhesive tape or masking tape

Straws – 1 per Scout

Scissors

Pencils and rulers is the Cubs are making the strips – 1 per Scout

Directions:

1. Tape each strip into loops.
3. Tape the loops onto the straw, one in the front and the other in the back.
4. Hold the straw with the small loop in front and launch the glider.
5. The Cub Scouts can have glider races, or try to hit a designated target.

Paper Helicopters

Materials:

Templates printed on cardstock or paper

Scissors

Paper clip (one per helicopter)

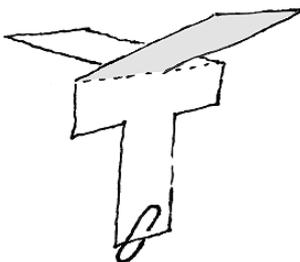

Directions:

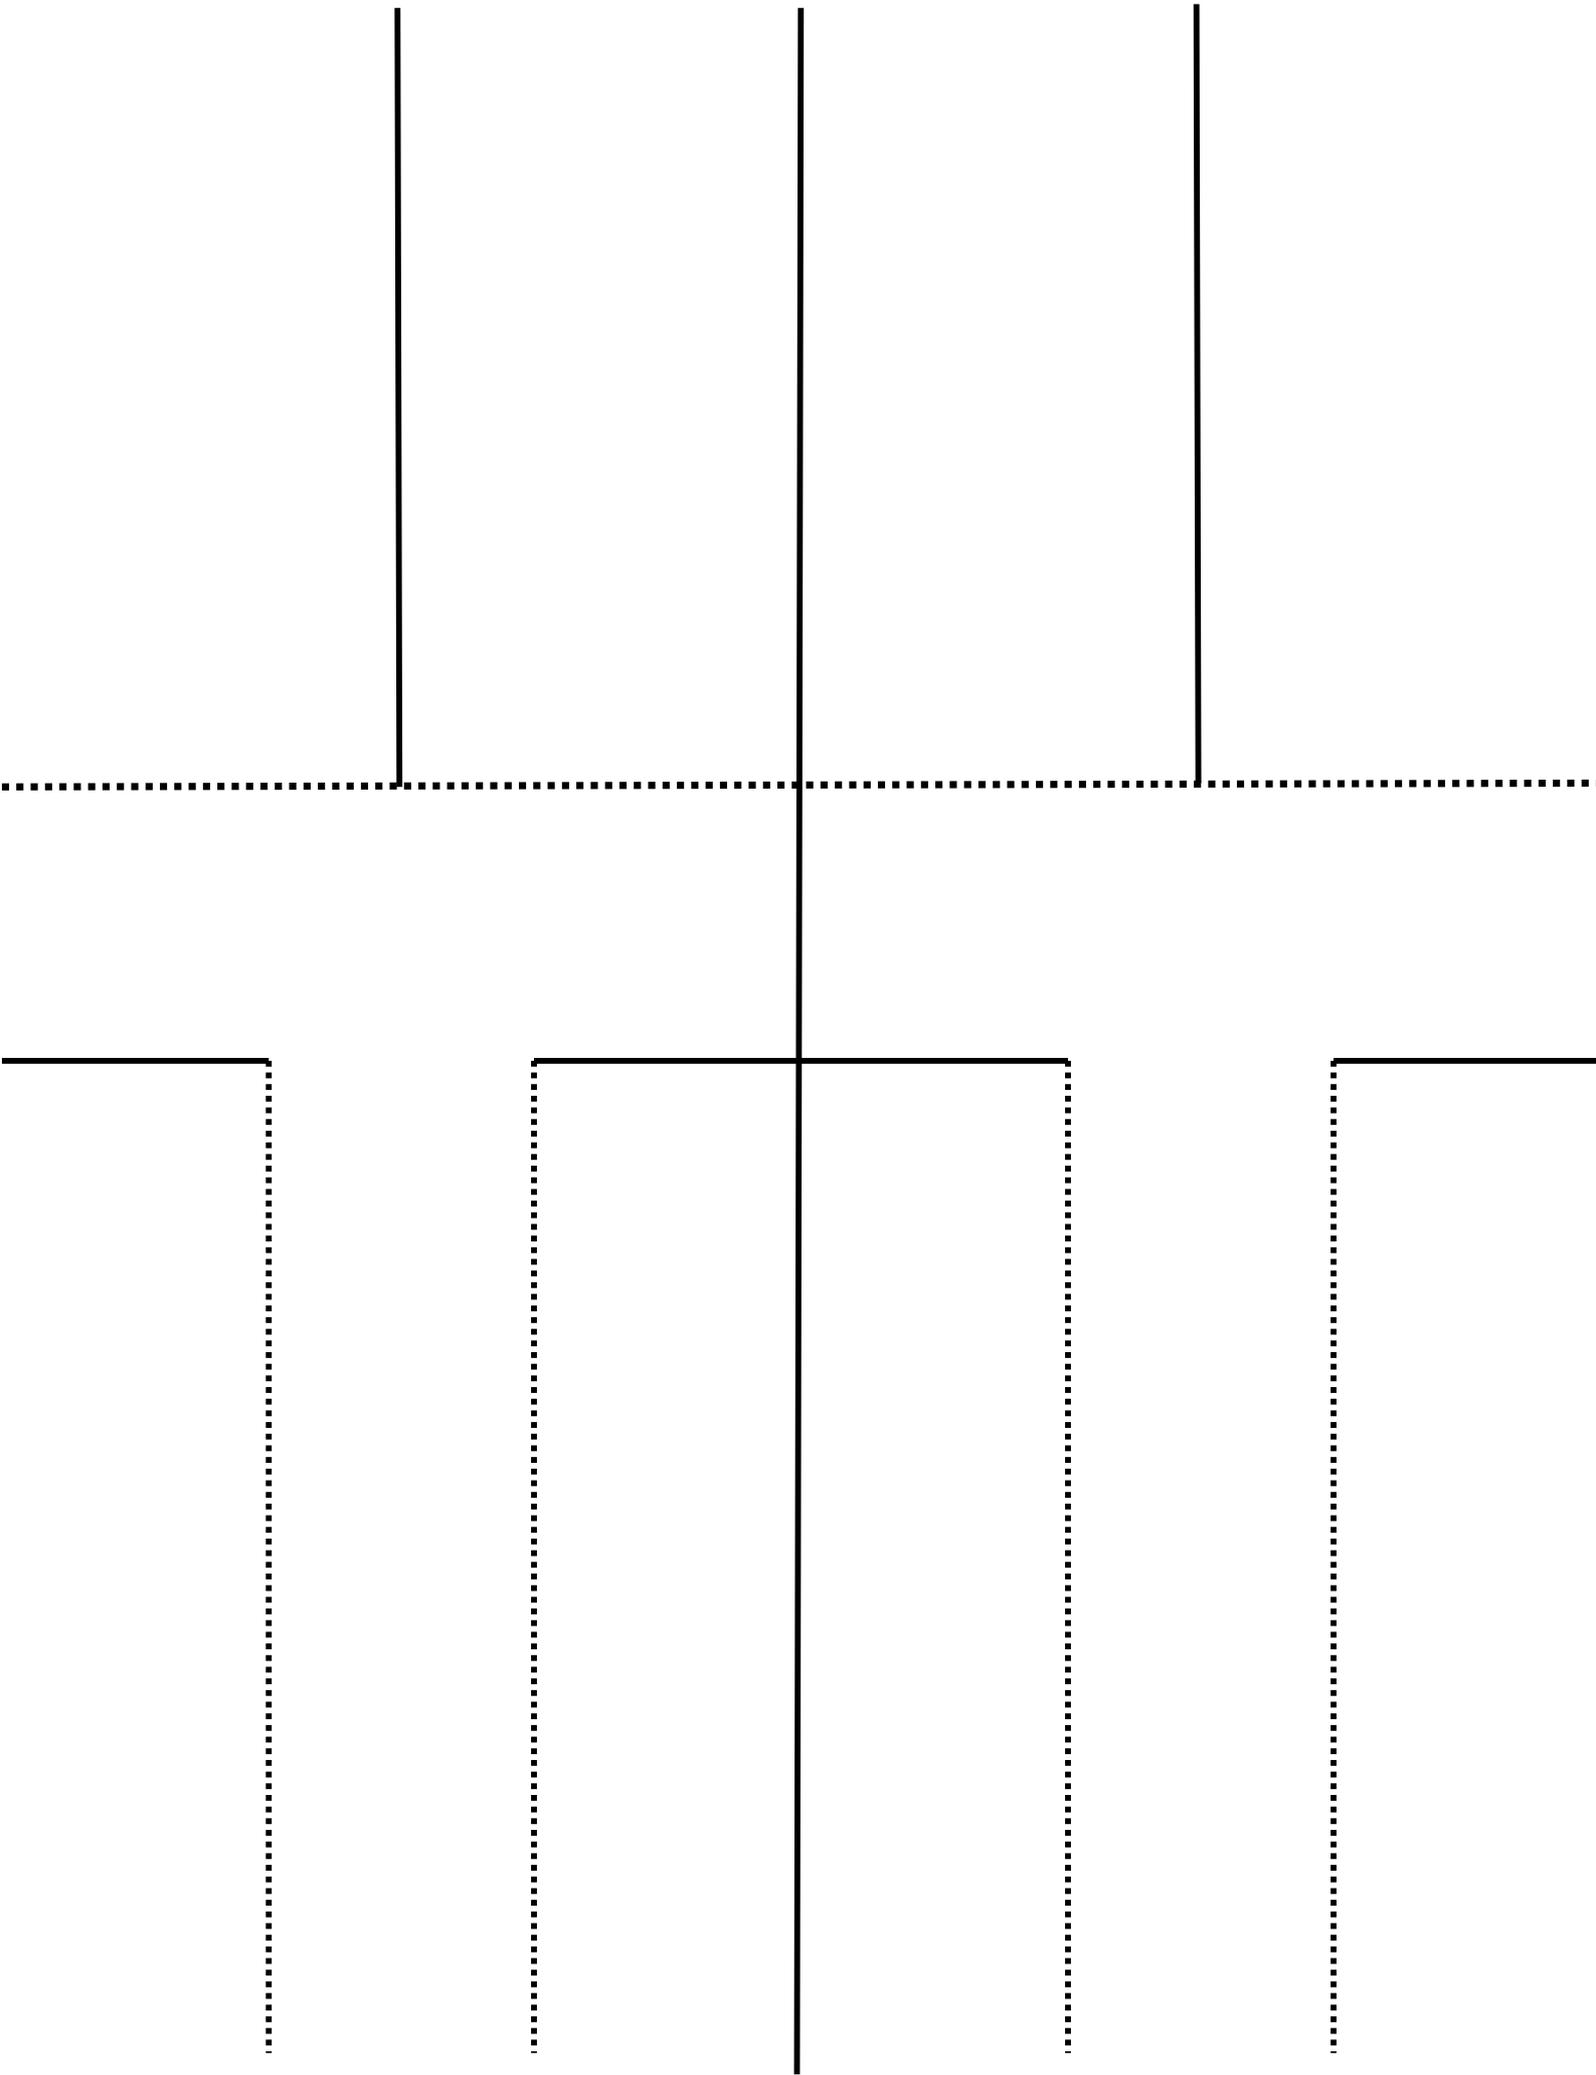

Important – only cut on solid lines, fold on dotted lines

1. Lay your template as shown.
2. Starting at the edges in the middle, cut towards the middle of the cardstock/paper (cut along the two small solid lines).
3. Fold the two side pieces towards each other along the dashed lines.

4. Fold up the bottom edge about one inch from the bottom edge.
5. Cut along the solid line at the top down until you reach the dashed line.
6. Fold the top parts of the helicopter down – one side folds forward and one side folds backwards.
7. Add a paper clip at the bottom to add weight.
8. Throw it up into the air and watch it fly!

Land the Plane Game

Materials:

Paper (copy paper)

Colored construction paper or card stock (3 to 4 sheets)

Directions:

1. Have each Cub Scout make his own simple paper airplane. (If a Cub Scout does not know how, see if another Cub Scout can show him how.)
2. While Cub Scouts are folding airplanes, make a “landing platform” from the construction paper by laying them down flat next to each other on the floor or ground. This landing spot can be either at the end of the room or field or in the middle of the room or field. The landing spot can be taped down if needed.
3. The object of the game is for the Cub Scouts to land their airplanes on the colored construction paper. The Cub Scouts should start 15 feet away from the landing spot to throw their airplanes. Those Cub Scouts who land their airplanes on the colored construction paper in the shortest amount of time win the game.

Variations:

1. Gradually make the landing platform smaller. Use only 2 sheets of the colored construction paper and then use only 1 sheet of the colored construction paper.
2. Have the Cub Scouts try to determine which airplane designs are the best for controlling and landing on the landing platform.

Core Values:

Resourcefulness, Respect, Cooperation, Perseverance

Honesty Closing

Cubmaster:

We've been reminded several times this month about being honest. Let's remember that being honest is something that we do every day. We can be honest at home with our families. We can be honest with our friends. We can be honest with everyone. Let's always remember to do our best and be honest every day.

TIGER DEN MEETING PROGRAM

DEN NO. _____ PACK NO. _____

MEETING PLACE _____

MONTH August WEEK 4 TIME _____

THIS MONTH'S TOPIC Honesty/Bugs/Flying

Use this form at a den leader meeting or at your monthly pack leader's meeting. Include ways for the den chief and denner to help you in the den meeting.

BEFORE THE MEETING

Gather materials for gathering and other activities, games and have home assignments ready.
