A Good Sport Is... Opening

Cubmaster:

You hear a lot of talk about being a good sport, but what does it mean?

A good sport learns the rules so he won't break them.

He competes with all his heart, striving to win over his competitors. If he does win, he doesn't act smug, but instead compliments the losers for the good job they did.

If he loses, he accepts the fact and tries to figure out why. Maybe he can win the next time.

A good sport accepts defeat, congratulates the winners, learns how he can improve, and determines to do better the next time.

Let's show courtesy and respect when we play games with each other.

Join me in the Pledge of Allegiance and the Scout Oath.

Tennis Ball Soccer

Materials:

Cones (4 for two teams)
Tennis ball (1 for two teams)
Masking tape (for lines)

Setup:

A rectangular “field” that can be indoors or outdoors. Mark the boundary lines and use cones to mark the sides of the goal.

Instructions:

1. Divide Cub Scouts into an even number of teams – preferably with fewer than 11 members on a team.
2. Have the team choose who will be their goalie and determine which side of the field each goalie will be on – that will also decide which direction each team will be trying to kick the tennis ball.
3. Tennis ball soccer is played much like regular soccer with the same objective of kicking the ball into the goal, with the opposing team trying to keep the team from scoring.
4. Start the game with a kick-off and watch for fouls (players getting kicked, tripped, hit, pushed, etc and touching the ball).
5. The only thing we do not do in Tennis Ball Soccer is use our head to move the ball.
6. The game can last as long as there is time available.

Variation:

Using 3 or 4 more cones set up a line of cones in the middle of the field and have the Cub Scouts have to kick the ball around the cones before they can make a goal. This makes the game a little more challenging.

Backwards Line Race

Materials:

Masking tape for starting line

Instructions:

1. Divide Cub Scouts into teams of 3 players each.
2. The end two players on each team face backwards, while the middle player faces forward, all locking elbows.
3. On “go,” each three person team runs to a turn line, swings around and runs back to the start line.
4. The first 3-player team finishing that’s still together wins.

Bat the Balloon Relay

Materials:

2 inflated balloons – different colors
Rulers – 1 for each of the two teams
Masking tape – for marking the starting line

Directions

1. Divide Cub Scouts into two teams.
2. The two teams line up at one end of the room. One team receives one colored balloon. The other team receives the other color balloon. Each team also receives a ruler.
3. Using only one hand, the first player in each team must bat the balloon to the other end of the room, around a chair and back to the starting line. The ruler is handed off to the next player and that 2nd player now bats the balloon while running to the other end of the room, around a chair and back to the starting line.
4. Players continue the relay until one team finishes.

Thankful for Sports Closing

All Cub Scouts and leaders stand in a circle.

Cubmaster:

We are thankful for the world we live in. We are thankful for its beauty. We are thankful for our bodies and for the good health that we have. We are thankful for our healthy bodies and fun times to share with friends. Help us as we learn to play new games that we can follow the rules and remember to be and do our best.
