3-D Snowflakes

Materials:

- 3 sheets of paper for each Cub Scout - precut
- Scissors
- Tape (clear tape is best)
- Stapler and staples
- Small piece of yarn for hanging (6 – 8 inches long)

Directions:

1. Cut each of the 3 sheets of paper in half the short way, leaving 6 half sheets of paper.
2. Fold each of the 6 sheets of paper diagonally into a triangle, cutting off the extra paper at the bottom – leaving a perfect triangle.
3. With scissors, cut into the triangle 6 times like the figure here – Making the gray lines.
4. Make cuts in step 3 in each of the 6 triangles that you have folded.

5. Unfold one of the triangles. Turn it so that one of the points of the square faces you.
6. Roll the first two innermost paper lines together to form a tube. Tape these two pieces together.

7. Turn the square over to the other side. Take the next two paper lines and put them together on the opposite side of the tube and tape together as before. This will be a more rounded shape and wider than the first tube.

8. Keep turning the paper and taping the paper lines together on opposite side in the same fashion until all paper lines have been taped together.

9. Tape all six triangles so that they look like the picture above.

10. Join 3 of the completed rolled triangles together at one end and then staple them together using the other hand. Connect the other 3 pieces the same way. Now you will have 2 pieces 3 triangles each.

11. Staple the two pieces together and then staple wherever the arms meet to help hold it together. If you would like you can staple a piece of yarn to the snowflake so that you can hang it.

Holiday Balloon Relay

Materials:

2 inflated balloons that are 2 different colors (red and green, blue and silver, etc)

Rulers – 1 for each of the two teams

Masking tape – for marking the starting line

Directions

1. Divide Cub Scouts into two teams.
2. The two teams line up at one end of the room. One team receives a green balloon while the other receives a red balloon. Or the colors could be blue and silver. The color does not matter – only that they are different colors. Each team also gets a ruler.
3. Using only one hand, the first player in each team must bat the balloon to the other end of the room, around a chair and back to the starting line.
4. Players continue the relay until one team finishes.

My Pledge Closing

Setup: Cubmaster leads the audience in reading the pledge out loud together.
