Social Media/Web Requirements

- Follow BSA and SHAC social media and web policies located at communications.shac.org/resources.
- Be familiar and follow job description.
- Have a minimum of two district level volunteers with administrative rights on every district or council social media site (e.g., Facebook pages and groups).
- Give the council marketing director (fb.com/shac.sam.houston for Facebook) administrative access to all council and district social media sites.
- Give council marketing committee members access (when requested) to social media sites to help support district and council communication goals.
- Keep sites relevant, timely, and engaging.

Guidelines

1. Transparency. Be honest about who you are.
2. Protection. All Youth Protection policies apply. Adults should not use direct-messaging when interacting with youth.
3. Clarity. State that opinions are your own.
5. Awareness. Internet content is permanent/public.
6. Utilization. Use current best practices and attend training sessions.

Additional Requirements

Facebook

- Districts may only have one page
- Districts may have multiple groups
- Council pages must be approved by marketing director
- Page must be set to photo tags not allowed; profanity blocklist set as ‘strong’ (under ‘manage permissions’)
- Admins must receive “individual email notifications” on settings (under ‘your settings’)

YouTube

- Have music copyright permission

Best Practices

- Link and promote SHAC and National BSA Facebook and websites
- Link and promote eScouter
- Put council and district website and Facebook addresses on all fliers
