

Honor your Parents

With a Life Membership in the James E. West Fellowship!

Like many of us, we are so thankful for our parents. They supported us and guided us during our time of needs and have been a shining light. They have given us so much and made lifelong memories. They have done an outstanding job and deserve more than we can give them. Sometimes it is hard to pinpoint the appropriate recognition that would be truly meaningful.

What you might not have considered is a lifetime membership in the James E. West Fellowship. James E. West was the first Chief Scout Executive of the Boy Scouts of America for 33 years. The James E. West Fellowship is a recognition program for \$1000 gifts made to endowment ensuring that the Council will continue to offer the outstanding programs we now have and allow growth to meet the future needs of our youth and communities. **But right now even a \$500 gift can become a James E. West member.**

Your donation of only \$500 can honor your Parents with a James E West Fellowship Award. The Council is very fortunate to be the recipient of The Cockrell Foundation Matching Gift Program which matches dollar for dollar on all individual gifts to endowment of \$500 up to a lifetime cumulative maximum of \$25,000. These gifts can be pledged and paid over several months as long as they are paid in full by December 15. Your parents will receive a certificate, a knot for their uniform, and a lapel pin.

We all want Scouting to benefit every youth, family, and community in the area, but expanding the scope and vigor of Scouting's programs will require more resources. You can both help the Council "Be Prepared" for the future and honor your special Parents.

Consider honoring your Parents with a James E. West Fellowship Award.
