A WORD TO PARENTS

As a parent of a Scout, you are interested in his activities. You may ask the question, "Why should my son sell Scout Fair Value Coupons?" Let us ask, "What is the purpose of Scouting?"

The purpose of Scouting is to help your son develop into a person who has the positive values of good character, self-reliance, good citizenship, and good personal fitness. Scouting helps a boy grow in self-confidence by learning to share in the responsibility for earning the money his unit needs to run a good program. It also offers him a chance to meet the public as a representative of the Boy Scouts of America.

To recognize your son for his effort, he can earn the prizes illustrated in this brochure.

Your son's Pack or Troop will earn money for its program and the Sam Houston Area Council earns money that is used in programs throughout our 16^{1/2} county area.

Thanks for reading this information and encouraging your son to fully participate in the Scout Fair and in Scouting.
