Job Description

An experienced and engaged Lion den leader is recruited to take the lead on *facilitating* den meetings with assistance and support from the parents/adult partners.
Shared Leadership: The Key to Lion Success

- Your role is not to run den meetings.
- Your role is to coach the adult partners to run the den meetings.

- Youth and adults join as a team, as with Tigers.
- Boys and girls are divided into separate dens with unique leadership.

- Not required to participate in fundraising activities.
- Do not participate in BB-guns or other activities prohibited by Guide to Safe Scouting.

See Age-Appropriate Guidelines in Guide to Safe Scouting.
Goals for End of School Year

- Successful transition to Tiger den with meaningful ceremony
- Attendance at day camp
- Parent engagement in pack leadership
Recruitment Night

- Conduct a separate session for Lion prospects.
- Since Lions cannot participate in all activities, don’t want to make promises we can’t keep.
- Need to make clear the shared leadership role – that all adult partners will take a turn leading.
- If the Lion program is not what parents want for their family, thank them for their interest and encourage them to return next year. If they sign up and are not happy, Scouting will likely lose them forever.
Lion Registration

- Standard $33 national registration fee – pro-rated.
- Standard BSA youth/adult applications.
  - Each youth requires an adult partner.
- Packs may charge activity fees appropriate for level of participation by Lions – or might only charge den dues.
Tips for Working with Lions

- Include adult partners in all den meeting activities. You want them to be participants, not spectators.
- Engage the youth. Talk “with” them, not “to” them.
- Use positive reinforcement.
- Demonstrate respect and kind language.
- Communicate regularly with parents/adult partners.
