Pack Tips for Successful Cub Scout & Adult Recruiting

www.shac.org/recruiting

Welcome to Fall Recruiting in the Sam Houston Area Council! Your mission is so very important because everything you do...and the way you do it...has the potential to make a positive impact on the lives of the youth and families in our community. Thank you for your efforts to build tomorrow's leaders by growing Scouting today!

To launch this fun in the very best way, remember that every new Cub Scout who joins in 2020 will receive a free **Estes Model Rocket!** Rockets will be distributed by District Executives upon receipt of completed and paid applications for new youth. When new Cub Scouts and their families attend the pack's Parent Orientation meeting, the pack leaders can make a fun and exciting presentation of rocket kits (without engines, for now) to all the newly registered Cub Scouts!

All Cub Scouts who register at Sign-Up Night will also receive a special edition **Rocket into Scouting** patch (see below) as an "instant recognition" of becoming a new Cub Scout!

2020 Resources for Digital Recruiting “Be Prepared, Marketing, and Communication”

With many school districts beginning the 2020-21 school year in an online-classroom setting due to COVID-19, in-person recruiting will not be possible in those areas during the usual fall recruiting season. The Sam Houston Area Council membership team developed a three-step approach to give packs the virtual recruiting resources needed to reach new families and get them involved in Scouting. This approach can be done in an entirely digital environment, but when schools are open for in-person classes again, these digital resources can be combined with in-person sign-up events for an even more effective recruiting strategy!

Be Prepared – Learn how to use the new digital resources now!

1. **Membership & Marketing Hub** – This is a National website focused on giving volunteers the skills and resources needed to promote Scouting in a digital environment. There are several new webinar sessions here that will help you navigate and use the latest digital recruiting resources:
 - a. <https://scoutingwire.org/marketing-membership/> Great resources to help your unit market themselves, as well as get more members involved!
 - b. Recruitment webinars: <https://scoutingwire.org/marketing-and-membership-hub/>
 - i. Fall Recruitment
 - ii. School Access and Fall Recruiting
 - iii. Tech Edition – BeAScout.org updates, Invitation Manger
 - iv. Scoutbook 101, Zoom Meetings
 - v. Geofencing, Social Media, Peer to Peer
 - vi. Brand Center Updates, Marketing & PR
 - vii. 5 Things You Should be Doing Now
2. **BSA Brand Center** - This National website is full of great new videos and tools that you can use on your pack’s Facebook Page, website etc. Check out the 2020 Fall Recruiting Videos under the Cub Scouts tab for great videos to utilize on social media.
 - a. <https://scouting.webdamdb.com/bp/#/>
 - i. Scout Talk videos
 1. These brand-new videos were created to take the place of an in-person Scout Talks in the school. Get these in front of parents and youth.
 2. Think of this as digital peer-to-peer recruiting, with Scout-aged youth encouraging other youth to join Scouting.
 3. Send this video to schools to play either on their zoom classes or at campus video announcements, post the video in a curriculum portal, or include it in an email to parents.
 - ii. 5 Questions videos
 1. These brand-new videos take the place of the traditional Sign-Up Night presentation by digitally answering the most common parent questions.

3. Be A Scout

- a. **Update your contacts** – Be A Scout is a great tool, providing that your pack’s contact information is current so people can reach you. Take some time today to ensure that your www.beascout.org pin is updated and your contact information is correct. Not sure how to do it? Here are two resources to help you:
 - i. Unit Guidebook for Online Registration (Check out Page 6): [Unit Guidebook for Online Registration](#)
 - ii. Be A Scout Webinar, this is a the July 2020 updates for Be A Scout (starting at minute 20): <https://vimeo.com/437251195>
- b. **Make sure online applications are active for youth / adult** – Making it easy to apply online is key for a successful digital recruiting campaign. Check out the Unit Guidebook for Online Registration to see how to utilize the online registration system : [Unit Guidebook for Online Registration](#)

4. Geofencing

- a. **What is it** – Geofencing is an online marketing tool which uses cellphone-based proximity to advertise directly to a particular market group. Generally done through apps like Facebook and Twitter, Geofencing places an invisible fence around a geographic location and, when someone in the market group enters that location, sends them a message through their social media platform. To see more about how geofencing works, check out this video: <https://youtu.be/-KKsUhpzbTc>
- b. **How to Order** – The BSA National Office has committed to pay for a Geofence for your pack! That’s right...you get it for free! And the Sam Houston Area Council is committed to your recruiting success, so all you have to do is submit your geofence information into our website order form, and we will create a geofence for you, free of charge, that drives people to sign up for your pack through the “Join Page” on SHAC’s website. Go to www.samhoustonbsa.org/geofence now to order your Geofence!

5. **Text To Join** – Text “Cub Scout” or “Cub Scouts” to 31996 and see what happens! An autoreply text message with the Scout Me In logo appears and drives interested families to our council landing page, where parents can sign up for the pack at their neighborhood school. Current information about prorated national fees and local pack fees are shown for each pack, so be sure your pack’s information is up to date.

- a. www.SHAC.org/join - This is what it’s all about! Driving families to this site will allow them to get all sorts of information about your pack, including what school you serve, what night you meet, what your pack dues are and what that fee includes. It works like this:
- b. Families can watch two of the new National BSA videos on Scouting, one directed at parents (“5 Questions”) and one directed at youth (30-second social media spot).
- c. They scroll down and select their school district from an alphabetical list.
- d. They scroll down and select their child’s school on the list, they can choose to look at the pack’s Facebook page or website (if listed as available), then they can click “Join” right there!

Marketing – Get the word out that it’s time to join Cub Scouting!

This year’s fantastic new digital resources won’t do much for your pack’s recruiting efforts if you don’t market your pack in the community. Grassroots marketing will be your best friend here, so don’t be afraid to put out those resources and get creative! Some of the best ways to do this are to:

1. See if the principal will send home a message (or better yet our digital flyer) with the “Text to Join” information and www.shac.org/join site on the flyer. Your District Executive can help you get this flyer completed and over to you quickly!
2. Yard signs galore! We doubled the amount of yard signs your pack gets this year. Put them out all over your community with the message: Text “Cub Scout” to 31996 to Join! You can also have your Cub Scouts make colorful, easy-to-read yard signs of their own with this message. Not only will you be making it easy for families to join your pack, but people all around the area will see the same message and be driven to the landing page where they find the right pack for their school!
3. Posters – Fun, colorful posters in community centers, coffee shops, and just around town are still an extremely effective tool. Like the yard signs, utilize Text to Join and the www.shac.org/join page to make it easy for families to find you.
4. Social Media (Facebook, Twitter, Nextdoor) - Blast your social media pages with the Text to Join and www.shac.org/join links. You can get great images for marketing on the BSA Brand Center (see above).

DO YOU HAVE A GREAT MARKETING IDEA? Post it to the Council Facebook page to share with other packs and leaders in the Sam Houston Area Council!

Communication – Make sure each new family is welcomed with personal follow up!

This whole recruiting effort will be a waste of time if packs don’t follow up quickly with the families that sign up online. Make it a point to have a Welcome Meeting as your first Zoom meeting of the fall. New parents can go through a short orientation, while the new Scouts participate in a household scavenger hunt!

1. Designate your most welcoming leader as the Be A Scout contact. This person can review and approve all applications that come in, provided that the Key 3 has given them this designation in my.scouting.org (reference the Unit Guidebook to Online Registration above for instructions).
2. Follow up. Follow up. Follow up.
 - a. A phone call welcoming the new family to the pack should happen within 2 or 3 days of them joining online. Be a friend! Let them know your pack is having an online meeting to welcome all new families the next week...date and time. Share your contact information so they know they have someone in the pack they can reach out to.
 - b. Send a follow-up form email that provides key Pack leader information and parent orientation meeting date.
 - c. Call / invite them back a few days before the parent orientation meeting to remind them to be there!

Great deals are made or lost in the Follow Up, and Scouting is a great deal for all of our families. Make them feel welcome by communicating often!

2020 Resources for In Person Recruiting

Key Elements to All In Person Sign-Up Nights

- Pack leaders should choose a Sign-Up Night method – ***either Presentation OR Table Rotation method*** – and follow the guidelines given in this booklet to make that method a success. Individuals coordinating and speaking on behalf of Scouting should be the most qualified presenters, trained and well prepared. [See a video example of each method at: www.shac.org/recruiting](http://www.shac.org/recruiting)
- Sign-Up Nights at each school should be kept to 30-45 minutes. A separate Parent Orientation Meeting should be held within one week following Sign-Up Night to help introduce new families to more information about the pack and its activities.
- Sign-Up Nights at each school should only be held on a Tuesday, Wednesday, or Thursday evening, and never the day after a major holiday, such as Labor Day.
- Scout Talks in the school should not be conducted on a Friday, as youth may lose their excitement about Sign-Up Night and Scouting over the weekend.
- Pack leaders should welcome families and be sure they register on the Sign-Up Night Roster to accurately record every parent and youth that attends.
- **Pack leaders should obtain a completed youth application, signed by the parent and unit leader, for every youth who attends Sign-Up Night to ensure all critical contact information is obtained.**
- Each family should submit the prorated registration fee at Sign-Up Night.
- All applications and prorated registration fees must be turned in to the District Executive within 24 hours of the Sign-Up Night or that week's Thursday turn-in.
- Every family should receive a welcoming phone call from the den leader, Cubmaster, or committee chair within a few days of registration.

Sign-Up Nights held at each school are always more successful because parents & potential Scouts are already familiar with their school!

Preparing New Families

Packs with an excellent track record of membership development and retention have one thing in common— they are prepared to receive new youth into their program. To ensure your pack is prepared, follow these guidelines:

- Create a short, colorful pack information sheet to distribute to all new families at Sign-Up Night. (see sample at: www.shac.org/recruiting)
- Involve existing parents in creating a welcoming environment, where new families can quickly feel connected and learn more about Scouting. Nationally, the #1 reason given by families who dropped out of Scouting last year was that no one made them feel welcome...they never felt connected. Let's all commit to doing a better job of being helpful, friendly, courteous, and kind!
- Host a separate Parent Orientation Meeting within one week of Sign-Up Night (see a sample Parent Orientation Agenda below) to share more details about the pack's leadership, fall activities, fundraisers, and the 2020-2021 pack calendar. This is also a great opportunity to make a fun presentation of the rocket kits for the new Cub Scouts!

BOY SCOUTS OF AMERICA®

SAM HOUSTON AREA COUNCIL

Role of Unit Leadership

The recruiting of Scouts and leaders happens at the pack level and in the communities where people live, work, and play. While the Sam Houston Area Council and the district membership teams will support each pack in their recruiting efforts, each pack will be responsible for the following:

- Designate a pack Sign-Up Night Coordinator – Person who takes the lead in organizing the Sign-Up Night.
- Commitment to conduct a Sign-Up Night at the local elementary school in September.
- Confirm Sign-Up Night dates with District Fall Recruitment Chair or District Executive by August 21.
- Display the yard signs in high visibility areas from August through October.
- Turn in all new member applications and prorated fees to the District Executive within 24 hours of Sign-Up Night or at that week's Thursday turn-in.
- Distribute rockets (without engines) to newly registered Scouts during the Parent Orientation Meeting.
- Promote the registration and participation of families at district and council events offered during the fall, including rocket launch events.
- Inform new leaders of online and in-person training opportunities.
- Conduct a second recruiting event in late September/early October following the same steps as before.

Marketing Your Sign-up Night

(See www.shac.org/recruiting for recruitment resources)

Yard Signs

Display the yard signs in high traffic areas in your neighborhood and near the school(s) where you recruit members.

Flyers/Posters

Put up flyers/posters anywhere—school, daycare centers, community centers, grocery stores, restaurants, bowling alley, etc.

School and Neighborhood Newsletters

Write an article for your school and neighborhood newsletters, spotlighting Scouting and all the activities and good things your unit is doing to make an impact in your local community and at your school...include pictures!

BOY SCOUTS OF AMERICA®

SAM HOUSTON AREA COUNCIL

Church/Chartered Organization Bulletins

Work with Chartered Organization leadership (Chartered Organization Representative and Institutional Head) to be sure all play a role in recruiting success. Encourage the chartered organization to publish your announcement in the church bulletin or newsletter the week prior to your Sign-Up Night.

Meet the Teacher Night / School Open House

This is a great time to have a booth set up to show off Scouting and explain what your unit does best. The open house should NOT replace your Sign-Up Night but should be used to encourage people to attend and enroll.

- Booth manned by 2 or 3 excited volunteers, decorated with Pack pics, tent, camping gear
- 30 second sale driving people to the Sign-Up Night
- Collect 5 pieces of contact information on a sign in sheet (provided and downloadable from the website) and hand them a flyer (if allowable)
- Email **same night** to all who signed in welcoming them and inviting them to Sign-Up Night
- Follow up email / call the day before reminding and inviting them to the Sign-Up Night

Peer-to-Peer Cards

Give these cards to your youth so they can distribute them to their friends with the date, time and location of your Sign-Up Night. These cards will be available for Cub Scouts, Boy Scouts, and Venturing. Ask your DE!!!

Email Invitations (parent to parent)

Ask the parents in your pack to send an email invitation to all their friends that have Scout-age youth. People like to join organizations where they know other people. An email message helps them understand their friends are involved, too.

Social Networking

Ask parents who are on Facebook, LinkedIn, Twitter, Instagram, Snapchat, NextDoor, etc. to update their status to talk about your pack's website and the Sign-up Night, or simply have them go to www.BeAScout.org for more details.

Paper Registration vs. Online Registration

More and more, families who grew up with fast access to technology are coming into Scouting age; as they do, they lean more onto online resources than on traditional paper applications. Units who adjust with the demand are finding that online registration is quick and easy, but there are some important steps to follow:

CHECK OUT THE ONLINE REGISTRATION GUIDEBOOK FROM THE BSA, AVAILABLE AT:

<https://www.scouting.org/resources/online-registration/>

CLICK ON THE “ONLINE REGISTRATION UNIT GUIDEBOOK” under the “How To” Section of the Page

Tips for Successful use of Online Applications

- Make sure your unit is set up to accept online applications on BEASCOUT.ORG
- Make sure each family fills out the Sign In sheet as they enter the Sign-Up night
- Have your Unit’s QR code in posted multiple locations at the sign-up night (on the flyer if possible) so it is easy to locate. Prompt attendees to scan the code and go to the site to sign up
 - If you don’t know where to get your QR code, please contact your District Executive
- Remember that the Online system only collects National BSA Registration Fees, not Pack dues
- Contact all attendees who did NOT submit an application online that evening inviting them to parent orientation and remind them to complete their application online
- Provide a copy of the complete online registration roster for your unit to your District Executive who can then provide you rockets for those youth

Tips for Successful use of Paper Applications

- Make sure each family fills out the Sign In sheet as they enter the Sign-Up night
- Make sure that each family gets an application packet as they walk in the room
- Ask them to start filling out the application before the presentation begins when using the presentation model, or as soon as they get to the registration table if you are using the table rotation model
- Check the application with them for accuracy & completion before they leave
- Collect fees with the application
- Contact all attendees who did NOT submit an application that evening inviting them to parent orientation and remind them to bring their application
- Get the paper applications to your District Executive ASAP so you can get your rockets!!!!

Invite Them Back! Regardless which method you use to sign Scouts up, make sure your Pack provides each family with an invite to the next meeting (parent orientation)!

SAM HOUSTON AREA COUNCIL

Sign-up Night Agenda – Presentation Method

(Recommended minimum staff: 5 uniformed leaders from the pack, a nearby troop, or the district)

Watch the how-to video at www.shac.org/recruiting

All Sign-Up Nights are designed to be fast paced for today's busy parents. The presentation method has been used successfully for many years. If using this method, remember that the goal is to sign up new Scouts and adult leaders. Packs are asked to avoid the use of PowerPoint presentations because they tend to include too much information, take too much time, and often cause interested families to leave without signing up because they simply can't stay so long. Instead, new Cub Scouts and parents should be invited back to a Parent Orientation a week later, which gives the pack an opportunity to share more information about their activities and leadership.

The key to making any Sign-Up Night successful is advanced planning and preparation, including recruiting a sufficient number of enthusiastic volunteers to help. A model campsite with a tent, camp chairs, fishing poles, etc. should be to one side of the presenter, so everyone clearly sees some Scouting fun while they're there!

Before the meeting (20-30 minutes)

- Set up tables, chairs, and model campsite
- Welcome Packets — youth & adult applications, Pack Information sheet, Parent Orientation flyer, etc.
- Rocket patches
- Pens & checkout materials

Welcome & introductions (5 minutes)

- Lead the Pledge of Allegiance
- Introduce pack leaders

What is Scouting (Basic Version—10 minutes)

- Youth development program that builds character & confidence
- Family-oriented; all members of the Scout's family encouraged to participate when/where possible
- Fun with a purpose—youth will have fun while learning leadership skills
- Briefly describe upcoming pack activities and a recent activity over the summer
- Briefly describe leadership structure of the pack

Families Came to Sign Up! Sign them up and get them out! Resist the urge to flood them with information. Sign Ups should be 30 minutes max, start to finish.

Volunteer Commitments (10 minutes)

- Call one new den up to the front, have each future Scout say what Scouting activity they are looking forward to the most
- Tell the parents of the den that these future Scouts are ready to begin their Scouting journey, so they need coaches, mentors, adults to lead them...we call them Den Leaders
- Ask which parents are committed to help them on their journey and would like to volunteer (for Kindergarten and 1st grade, mention 18 years or older; for girls, one female 21 years or older)
 - Complete Application – have simple recognition for all newly-recruited leaders whose applications and fees are turned in
- Repeat this process for each grade level, if needed

BOY SCOUTS OF AMERICA®

SAM HOUSTON AREA COUNCIL

Youth/Adult Registration (5 minutes)

- Discuss pack and BSA registration fees, insurance, and magazine subscription option
- Refer to Pack Information sheet – mention key upcoming dates
- Emphasize Parent Orientation meeting – date/time/location, rockets handed out, FUN!
- Direct all to Turn-In tables to gather applications & fees, present youth with rocket patch

After the Meeting

- Collect all applications/prorated fees, present youth with patches, answer questions
- Visit with new leaders & parents, encourage Parent Orientation attendance

Sample Sign-Up Night Agenda – Table Rotation Method

(Recommended minimum staff: 10 uniformed leaders from the pack, a nearby troop, or the district)

Watch the how-to video at www.shac.org/recruiting

All Sign-Up Nights are designed to be fast paced for today's busy parents. The table rotation method has been used very successfully in recent years. It allows families more flexible timing and it allows the pack to have better one-on-one conversations with new families as they visit the tables. Families sign in at the first table, then they go on a self-paced journey through five stations to learn how Scouting and the pack work. Families who are familiar with Scouting, or who have limited time, may hurry past some tables and go directly to checkout. The diagram below shows the stations and the recommended room setup. A model campsite with a tent, camp chairs, fishing poles, etc. should be in the center of the room so everyone circles some Scouting fun while they're there!

The key to making any Sign-Up Night successful is advanced planning and preparation, including recruiting a sufficient number of enthusiastic volunteers to help.

Sign-Up Night Stations

- **Welcome/Sign In**
- **Station 1:** Who are the Cub Scouts?
- **Station 2:** How Does Scouting Work?
- **Station 3:** Cub Scout Advancement
- **Station 4:** Funding Your Scout Experience
- **Station 5:** Join and Check Out

Families Came to Sign Up! Make sure it is easy for them to sign in & sign up and ensure there is not a line at the checkout table. Someone at the exit doors should ask if everyone had the chance to sign up!

Welcome/Sign In: This is the first place interested youth and their parents stop. They sign in, while a greeter provides a brief overview of the process.

- Greet each family as they arrive and ask them to sign in.
- Provide each family with a Welcome Packet – youth & adult applications, Pack Information sheet, etc.
- Invite each family to visit the five stations and learn more about Scouting – sign up and checkout is at the final station.

Station 1: Who are the Cub Scouts? Share basic information about the Cub Scouts ... FUN! ... Scouting is “a game with a purpose” ... FUN! ... the big picture of character development, citizenship, and personal fitness ... FUN! ... the timeless values of the Scout Oath & Law ... the uniform ... plus FUN, FUN, and more FUN!

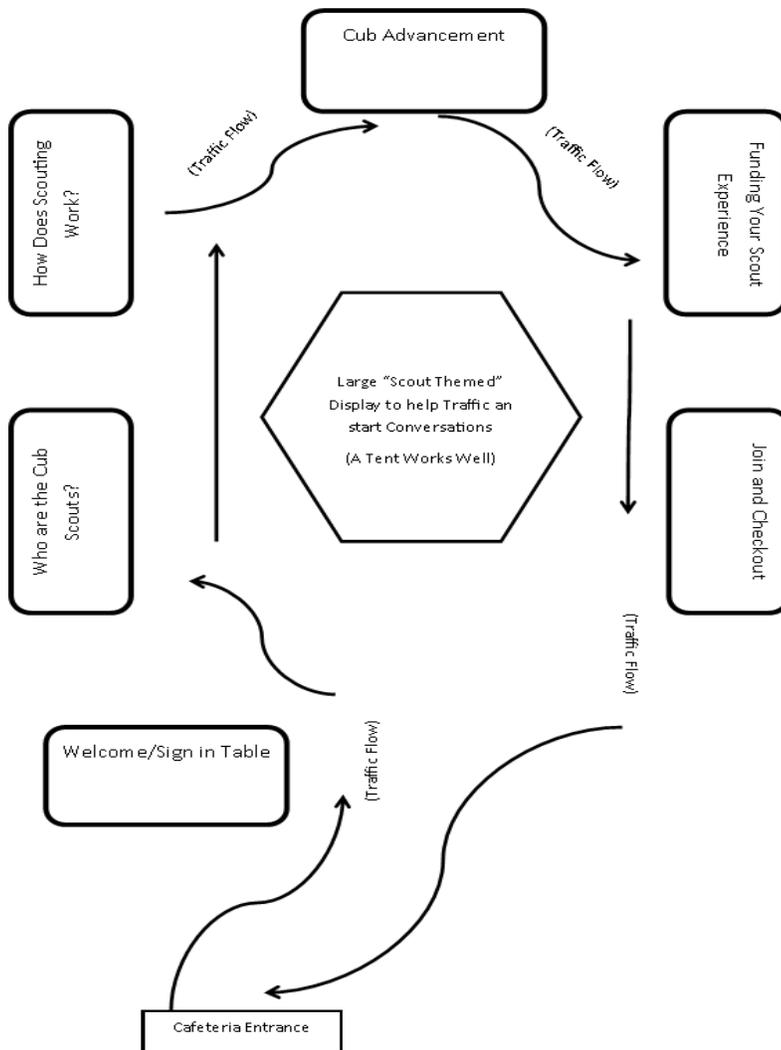

Materials:

- Station 1 tri-panel display
- Scout Shop Guide to the Uniform
- Pack pictures

BOY SCOUTS OF AMERICA®

SAM HOUSTON AREA COUNCIL

Station 2: How Does the Program Work?

This station touches on dens, pack meetings, outside activities, and the importance of volunteers. Start a friendly discussion about all parents helping wherever they can...everyone is busy, but everyone does something...and reassure that our pack helps new parents get started off well!

Materials:

- Station 2 tri-panel display
- Fun stuff from pack activities...Pinewood Derby Cars, keepsakes from outdoor activities, pictures of youth and parents having loads of fun, camping gadgets youth have made, etc.

Station 3: Advancement. This station touches on the different ranks in Cub Scouts, listing out some of the specific adventures for each rank...mention “age appropriate activities” and all the opportunities for fun. Again, a good opportunity to mention great ways to volunteer...personal hobbies, or just an interest in specific advancement requirements, is the perfect way for a new parent to help their child’s den!

Materials:

- Station 3 tri-panel display
- Rank patches, belts full of adventure loops, patch vest, parent’s ribbon full of parent pins
- Patches from campouts, pack & district activities

Station 4: Funding the Program. This station covers registration and fundraising, giving an opportunity to briefly touch on pack fees and additional expenses. Remember that more financial details, like fundraising specifics, will be covered during Parent Orientation, so focus on the big picture.

Materials:

- Station 4 tri-panel display
- Popcorn tins, fundraiser trophies or other prizes from prior sales
- Program/Camp pictures – show where the money goes!

BOY SCOUTS OF AMERICA®

SAM HOUSTON AREA COUNCIL

- Copies of Scouts' Life Magazine
- Be prepared to briefly answer questions about pack fee payment plans and/or financial assistance.

Station 5: Join and Check Out. Leaders at this station are responsible for final “check out,” including proper completion of applications, payment, and registration of new leaders. Units that use the rotational model recommend multiple tables and extra, experienced leaders at this station to be sure that the flow doesn't back up here.

Materials:

- Station 5 tri-panel display
- Extra youth and adult applications, pens, calculators, clear instructions about payment options
- Electronic gear for online registration, if Wi-Fi available...always have paper, just in case!
- Patches for “instant recognition” for paid and registered new Scouts.
- Make sure all applications are properly completed, including signatures.
- Collect the proper fee amount for BSA membership fee and magazine, if added.
- Forms, signed by Cubmaster, and all payments should be collected and put in envelope for turn in.
- Secure adult volunteers, especially Den Leaders for new dens. Encourage adults to register...can finalize positions at Parent Orientation, if needed.
- Make sure parents know when and where the first meeting is (Parent Orientation) and answer any other questions parents may have.

Sample Parent Orientation Meeting Agenda

(Format can be quickly adapted for digital meeting)

Before the meeting (20-30 minutes)

- Set up table and chairs, as needed
- Roster from Sign-Up Night
- Youth and Adult registration applications (for new families)
- Review Parent Orientation Agenda
- Ceremony and games equipment
- Pens

Families Came to Participate! THIS is where you share all the great things your Pack will do this year...not at Sign-Up Night. Because families have already committed to participate by signing up, they will now find the time to say YES to participation in all the great activities, including volunteering!

Opening (5 minutes)

- Lead the Pledge of Allegiance
- Introduce pack leaders

Pack Program/Fundraising (10 minutes)

- Discuss the pack's plans, mentioning some of the more exciting activities
- Discuss the upcoming fall events and distribute event registration information
